

In the Moscow Tax Institute published a manual "Improving Tax Administration in the area of tax control"

Authors:

Sulejmanov DN - First Vice-Rector of the Moscow Institute of the tax, Ph.D.

Mekhova TN - Head of Innovation Lab Training Tax administration - "Tax Administration"

This manual presents the theoretical and practical foundations of the legislation on taxes and duties, as well as regulatory and legal acts governing the organization of tax control. Particular attention is paid to the legal status of the subjects of tax control and order relations between them. Relevant is the material presented on the topic: the proceedings of offenses and types of tax offenses and administrative responsibility for these acts.
